Quality: Excellent (100%) Recommended: Yes I recommend: Yes Quality: Excellent (100%) I recommend: Yes Bought 3 gifts and they love them. This is the second puzzle keeper I bought. It's great to work with a puzzle and hook it up when you have a company or just take a break. This is a great product for a household with cats (I have 4)! You can work with it and then close it when you're done. You just need to keep an eye on the size of the puzzle (max 20 x 27) when buying puzzles. I like this product! I like the case of the puzzle! He came in a little scuffed-up and corners dented, but works great. Just what I needed! I am very pledged with my purchase Case is solid, and a few chapters are good for sorting. As mentioned above, this About 1000 piece puzzles. But for those who are too big, it is very well complemented by a table of cards. This box worked very well. Love Puzzle Shop, much better than roll up puzzle savers! My order was lost in the post office. The use of FedEx for Alaska deliveries is a lost cause. Because of its rural nature, FedEx flips its presentations to the USPS and makes it very difficult to follow. I thank Ann Smith for her hard work and willingness to change her product as I look forward to it. Thank you for customer service (Ann) for friendly, excellent service. Love your products and continue to order from Puzzle Warehouse. NICE :) CONSIDERING ONE OF MY GREAT DAUGHTERS IN MINNESOTA WHEN SHE TURNS 11. DO I GET A DISCOUNT? Works well and is well priced ... but I will replace the black interior board with one that is dark gray on one side and not white on the other side. The first puzzle I worked on it was dark by itself and it's hard to see on the board. works very well and my second runs are even better just what I wanted. Delivery was quick! My mother liked it. I bought it for my mother, who is at the center of an auxiliary life, but she is much heavier than I thought it would be, and I don't think she could carry it. Neat storage idea, though, so I still keep it behind me. I really like Puzzle Shop, unfortunately my 1000 piece puzzle doesn't fit, but I use it for smaller puzzles. Puzzles.
